BONITA CREEK LAND AND HOMEOWNER'S ASSOCIATION
HC 7 box 271-R, Payson, Arizona 85541

Ladies and Gentlemen,

Please find enclosed the Bonita Creek Land and Homeowner's Association compliance report demonstrating the amount of water pumped and sold each year along with the efforts made to reduce water loss to less than 10%. As you can see from the information provided, the only system water loss was in Sept. 2004 (6000 gal), which was due to a cracked line that was repaired immediately after the leak was evident. This represents only a 0.6 % loss of the gallons pumped and only a 0.8% loss of the gallons sold. Please let me know if you have any questions concerning this report.

Sincerely,

Bill Glaunsinger
President, BCHLOA
